The Challenge to 2030

Finding balance of coordination along developments in the past, the present and the future

ONE ambition

Working together on integral collaboration to address issues in the palliative phase smartly and sustainably.

Samen werken aan integraal samenwerken om vraagstukken in de palliatieve fase slim en duurzaam aan te pakken.

TWO goals

- Social awareness
- Proactive care and support

THREE styles of collaborative coordination

- Directing
- Serve
- Coaching system

SEVEN habits of highly effective leading people

Covey

1. Be pro-active
2. Begin with the end in mind
3. Put first things first
4. Think win-win
5. Seek first to understand, then to be understood
6. Synergize
7. Sharp the saw

Effective leadership, influence, collaborate, improve

ONE ambition

Working together on integral collaboration to address issues in the palliative phase smartly and sustainably...
and continuously monitor, learn and improve

Samen werken aan integraal samenwerken om vraagstukken in de palliatieve fase slim en duurzaam aan te pakken...
en continue te monitoren, te leren en te verbeteren

Mentimeter-question

- How can we as 'Delta/NPPZII' partners ensure that our joint efforts leads to a truly noticeable difference?
- Hoe kunnen we als Delta/NPPZ II-partners zorgen dat gezamenlijke inzet tot werkelijk merkbaar verschil leidt?

Coordinating Palliative Care in the Dutch Delta?

Think 'big like the Delta program'
go where it's smaller:
collaborate in bridging the gaps of
complexity...again and again and...
